## BOURBON

### **Ranger Creek .36 Texas Straight** (48%) San Antonio, TX...7.5

Aged for a minimum of two years, this bourbon is the culmination of Ranger Creek's 6 year barrel experiment and their first small batch run of 858 bottles.

### **Eagle Rare 10 Year Bourbon** (45%) Frankfort, KY...6.5

Complex aromas of toffee, hints of orange peel, herbs, honey, leather, and oak. Bold, dry, oaky flavors with notes of candied almonds and very rich cocoa.

### **Garrison Brothers Single Barrel Bourbon** (47%) Hye, TX . . 13

Handmade from "corn to cork" in the heart of Texas Hill Country. Every bottle from each barrel is unique, different, and inconsistent. That's the beauty of Single Barrel. Consistency is boring, and bourbon drinkers know that.

### **Garrison Brothers Straight Bourbon** (47%) Hye, TX...9

Lean back in your chair and experience this Texas Bourbon. It's bold and burley like whiskey should be when it's made in Texas but still elegant enough to catch the attention of the most avid Kentucky bourbon drinkers.

### **Garrison Brothers Balmorhea Bourbon** (57.2%) Hye, TX...17

Originally distilled as an experimental Bourbon which could only be enjoyed at the distillery. Aged in new American oak and touched with Texas heat. This bourbon provides a creamy mouthfeel with heavy oak and a dense mouthfeel. Recommended neat or with a few drops of water to open it up. At 115 proof, this Bourbon never tastes hot but definitely keeps your attention.

### **Garrison Brothers Cowboy Bourbon 2018** (66.95%) Hye, TX...30

The American Whiskey of the Year in Jim Murray's Whisky Bible. Twice. Straight from the barrel. Unfiltered. Uncut. Cask strength at 133.9 proof! It takes a special barrel to create a bourbon nectar sweet enough to be enjoyed at such a high proof. The potency normally overpowers the flavor. This ain't the case with the Cowboy - it's so sweet, the flavor overpowers its proof. And you can thank the Texas heat for that. This 2018 edition consisted of 4,725 bottles. Every barrel used in this release was five years old: the oldest bourbon whiskey ever made in Texas.

### **Kings County Peated Bourbon** (45%) Brooklyn, NY...9

From New York's oldest operating whiskey distillery comes this "happy accident." Made from 60% organic corn and 40% malted barley, a 1/3 of which is peated, it is a first of it's kind. More dry on the palate than a traditional American bourbon, notes of toasted marshmallow, bittersweet chocolate, and warm leather intertwine with subtle notes of smoky peat.

### **Kings County Bourbon** (45%) Brooklyn, NY...9

Made from New York state organic corn and malted barley from the U.K. It has a very strong sweet base with flavors of vanilla and caramel, a deep molasses taste to the middle notes, and leaves a smooth finish with hints of cinnamon and autumn spices.

### **Koval Bourbon Single Barrel** (47%) Chicago, IL...7.5

The standard 51% corn was used in this mash bill as well as millet. The corn and millet complement each other, invoking notes of mango, chutney, and soft vanilla. It finishes long and lingers on the tongue. Unfiltered. Heart cut. Organic.

### **Low Gap Bourbon** (43.2%) Mendocino, CA...7.5

65% corn, 20% malted barley, and 15% rye. Aged for two years in new bourbon barrels.

### **Leopold Bros. Straight Bourbon** (45%) Denver, CO...9

Finally, our friends from Leopold Bros have released their Bourbon. Aged for four years in new American White Oak barrels. It has a rather interesting mash bill that's 64% corn, 17% two-row barley (floor-malted on site at the distillery), 15% Abruzzi heritage rye and 4% brewers' malts. Soft candied maple, vanilla, and orange marmalade on the nose. Stone fruit, orange peel, with a full body and soft finish.

### **W. L. Weller Special Reserve** (45%) Frankfort, KY...5

The original wheated bourbon. The addition of wheat into the grain bill of this whiskey adds a soft and smooth kiss of balance on top of the wood, spice, and caramel flavors.

### **W. L. Weller 12yr** (45%) Frankfort, KY . . . 10

This wheated bourbon is aged far longer than most wheated bourbons. It's a smooth, easy-going and balanced whiskey with a beautiful deep bronze color. Named after William Larue Weller, who in 1849, was the first to produce straight bourbon using wheat instead of rye in the mash bill.

## RYE

### **Breuckelen 77 Rye & Corn** (45%) Brooklyn, NY...7.5

Made from a mash of 85% rye and 15% corn. Slightly sweet with notes of vanilla and caramel. Exceptionally smooth, with a well balanced, medium finish. Peppery heat lingering. Bitter chocolate and bitter caramel, a touch of sourness. Crème brulee.

### **Kings County Straight Rye Whiskey** (51%) Brooklyn, NY...10

Made from 80% New York Danko Rye and 20% English barley malt. Aged for 2 years in charred oak barrels. Strong notes of cinnamon, nutmeg, maple, and holiday spices. A great sipper when served neat. When thrown on a rock, you'll open its spice forward character even more.

### **Koval Rye Single Barrel** (40%) Chicago, IL...7.5

Distilled using 100% rye and aged in new American oak from Minnesota. Aromas of vanilla and coconut. A faint sweetness shows on the palate, with initial notes of coconut and almond, while the finish is gently spiced and drying. This certified organic whiskey is versatile for cocktails.

### **Leopold Bros. Maryland-Style Rye** (43%) Denver, CO...7.5

"Maryland-style" rye whiskey is fruity, floral, and less aggressive than most. Barreled at 98 proof. Leopold Bros. is one of the very few distilleries that are currently producing a Maryland-style rye. Light wood, baking spice, and orange zest come through in the nose. The palate shows this whiskey's youth but still maintains a heavy mouthfeel with plenty of rye spice. Seasonal Release.

### **Low Gap Rye** (42.2%) Mendocino, CA...8.5

Aged for 2 years in new and used bourbon and cognac barrels. On the palate, this rye is a gentle combination of all the mentioned barrels with the cognac taking the back seat. Notes of vanilla, citrus, smoke, and oak.

### **Ranger Creek .44 Rye** (47%) San Antonio, TX...9

100% rye and aged in used bourbon barrels. Clove, tobacco and lingering flavors of fresh bread crust. Smooth, well balanced, but extremely complex.

### **Sazerac Rye** (45%) Frankfort, KY...7

Ginger, allspice, and orange peels are beautifully delivered on a thick, almost oily palate. Balanced spice and rye notes accompanied by a lingering finish.

# WHISKEY

OFFERED IN  
1 OZ POURS

## AMERICAN WHISKEY

### **Andalusia Revenant Oak** (50%) **Blanco, TX...7.5**

A peated, single malt that is crafted from 100% malted barley and steeped in bourbon barrels. Infused with a hint of peat smoke that infuses with a smooth and refined character.

### **Andalusia Stryker** (50%) **Blanco, TX...7.5**

Stryker adopts the Scottish tradition of smoking malted barley that is destined to be used in their signature Islay Scotches. Rather than burning peat, however, Stryker is mashed from malted barley that has been smoked with oak, mesquite, and apple woods. Smooth and smokey. This is indeed a Texas Whiskey.

### **Charbay R5** (49.5%) **Napa Valley, CA...7.5**

Made from Bear Republic's Racer 5 IPA. Fresh and herbal with a citrus hop flavor and full of sweet baking spice aromas and taste. Cream and sugar.

### **Koval Oat Single Barrel** (40%) **Chicago, IL...7.5**

A favorite in Chicago. 100% oat, heart cuts only, single barrel, aged in new American oak. Rich caramel and oat flavors. Viscous and creamy. Heavy on breakfast oatmeal that's loaded with cream and sugar. Distilled from organic grains.

### **Koval Four Grain Single Barrel** (47%) **Chicago, IL...7.5**

Distilled from an organic mash bill of oat, malted barley, rye, and wheat. The four grains define its depth with a banana nose, creamy palate, and spicy finish.

### **Leopold Bros. American Small Batch** (40%) **Denver, CO...6.5**

Made from a copper potstill distilled sour mash of corn and rye that is fermented at colder temperatures to produce a much softer whiskey. Flavors of vanilla, pear, and raspberry appear as you sip this 98 proof whiskey.

### **Leopold Bros. Rocky Mountain Peach** (30%) **Denver, CO...6**

Colorado Palisade peach juice is blended with Leopold's whiskey. Later, the whiskey is rested in charred American oak barrels, where notes of vanilla, raisin, and oak are pulled from the barrel itself. The spirit is naturally colored by the barrel and peach juice, without the aid of artificial coloring agents.

### **Ranger Creek Rimfire** (43%) **San Antonio, TX...9**

A scotch-style single malt that truly tastes like Texas. Smoked with mesquite, this whiskey has a pleasant smoky tickle that lingers through the finish. Open it up with a few drops of water.

### **Ransom Rye, Barley, Wheat** (46.7%) **Sheridan, OR...9**

Uses only the very best portion of the cuts, the "heart of the hearts", and a diverse mash bill of six grain components that creates a complex palate of grain flavors. Aged in used French oak barrels, most of which formerly held Pinot Noir.

### **Ransom The Emerald 1865** (43%) **Sheridan, OR...13**

Concocted from an old Irish malt bill that dates back to 1865. A portion of the barley is grown on the Ransom farm in Sheridan, OR. Matured in a mix of French and American oak barrels for three years. Grain bill is made up of malted two-row barley, unmalted six-row barley, rye, and oats.

### **Real Spirits Texas Hill Country Signature Whiskey** (45%) **Blanco, TX...9**

A mingling of Real Ale's Devil's Backbone and Real Heavy. Double distilled in a hand-hammered copper pot then aged in new charred American oak barrels. Unique on many fronts with a nutty, honey soaked graham cracker nose. On the palate, apple and cinnamon are present with a pleasing boozy kick.

### **St. George Single Malt** (43%) **Alameda, CA...13**

Fruit forward with a complex blend of Mexican cocoa and roasted nuts. As this whiskey is sipped, it offers flavor upon flavor until your glass finally empties. A truly complex single malt.

### **St. George Baller Single Malt Whiskey** (47%) **Alameda, CA . . . 12**

"A California take on the Japanese spin on Scotch whisky." Created with the Japanese Highball in mind. Made with 100% American Barley and aged in American and French Oak casks. Finished in casks which once held a plum liqueur. Bold, dry, with subtle plum notes. There's a hint of smoky peat that makes itself known if you're looking for it.

## INTERNATIONAL

### **Sierra Norte Black Corn Whiskey** (45%) **Oaxaca City, Oaxaca...7.5**

Made from 85% Mexican native black corn and 15% barley mash as the mix of the mash bill. Aging occurred for upwards of eight months in French oak casks. On the palate, deep ripe plantains with a nutty finish that has hints of vanilla icing. Descendants of the region's first farmers continue to grow native varieties of corn, carefully saving and replanting the seeds from each harvest, as they and their ancestors have done for over 7000 years.

### **Teeling Small Batch** (46%) **Dublin, Ireland...7**

Consists of hand-selected casks of grain and malt whiskey, initially aged separately in ex-bourbon casks for up to 6 years, and then further matured for 6-9 months in Central American rum casks. The result is a layered whiskey with distinct dried-fruit richness and depth.

### **The Irishman 12 yr. Single Malt** (40%) **Ireland...9**

Matured in first fill, flame charred Bourbon barrels and limited to 6,000 bottles maximum per year. Sweet spicy notes of vanilla, cinnamon, and a bit of clove on the nose.

### **Tullamore D.E.W. Original** (40%) **Ireland...5.5**

### **Pendleton's** (40%) **Canada...5.5**

## SOTOL

### **Sotol Por Siempre** (45%) **Chihuahua, México...6.5**

Black pepper spice, earth, mineral, wet stone, rich and chewy texture with a long, dry and mildly smoky finish.

### **Clande Bienvenido** (46.5%) **Ciudad Madera, Chihuahua..9**

With more than 40 years of experience producing sotol, Bienvenido Fernandez learned from his grandfather and father, who produced sotol in clandestine mobile vinatas (local name for a sotol distillery) that were immersed in the heart of the Northern Chihuahuan Sierra. He cooks the plants underground on a pit oven with stones and oak wood. Notes of banana, wood, cotija cheese, honey, and nuts.

### **Clande Don Eduardo** (53.4%) **Chorreras, Chihuahua..9**

Distilled in extremely small batches by Don Eduardo Arrieta in Chorreras, Chihuahua. Using wild *Dasyliirion Leiophyllum*, Don Eduardo roasts the sotol plants in conical pits and then grinds by axe. Sotol Clande represents sotol from different regions and delivers the impact of terroir on this beautiful spirit. The project seeks to support small local producers and improve their standard of living, as well as protect the future of the *Dasyliirion* plant.

### **Flor del Desierto Sotol** (40%) **Coyame del Sotol, Chihuahua...7.5**

At Destilería El Ranchito (elev. 6,709'), the Vivancos have been cultivating highland agave since Mexico's tumultuous post-revolutionary period of 1919-1929. The family now holds 2,000 acres of estate-grown agave producing a rich, well-balanced spirit.

## TEQUILA

### **ArteNOM Selección de 1549 Blanco Organico** (40%) **El Arenal, Jalisco...7.5**

Destiladora Refugio is where Ramón Sandoval carefully distills this delicious un-aged tequila from organic agave. The valley growing conditions lend this spirit a distinctive herbaceous flavor with intriguing notes of cacao and subtle spice.

### **ArteNOM Selección de 1414 Reposado** (40%) **Arandas, Jalisco...9**

At Destilería El Ranchito (elev. 6,709'), the Vivancos have been cultivating highland agave since Mexico's tumultuous post-revolutionary period of 1919-1929. The family now holds 2,000 acres of estate-grown agave producing a rich, well-balanced spirit.

### **ArteNOM Selección de 1146 Añejo** (40%) **Atotonilco El-Alto, Jalisco...10**

Made by master distiller Enrique Fonseca, 60% of this añejo comes from French oak aged for 2 years and 40% from French oak aged for 3 years. This blend is then aged together for an additional year in American white oak, which creates an unparalleled underlying complexity.

### **Arette Reposado** (38%) **Lowlands, Jalisco...5.5**

Arette is produced at the oldest continuously family operated distillery in the town of Tequila. Made from 100% estate-grown agave and rested in American white oak barrels for six months.

### **Cimarron Blanco** (40%) **Highlands, Jalisco...5.1**

Distilled by one of the most respected Tequileros, Enrique Fonseca, this 100% estate-grown blue agave tequila is bright, clean, spicy, and has an earthy sweetness like slightly charred vegetables from the grill.

### **Don Fulano Reposado** (40%) **Highlands, Jalisco...7.5**

Aged in new French oak barrels. This reposado is aged just enough so there is a presence of wood that does not overpower the rich agave flavor. Smooth and clean with mild hints of fruit, spice and earth.

### **Fortaleza Blanco** (40%) **Lowlands, Jalisco...7.5**

Aromas of citrus and rich cooked agave fill your nose. Flavors include citrus, cooked agave, vanilla, basil, olive, and lime.

### **Fortaleza Reposado** (40%) **Lowlands, Jalisco...8**

Fortaleza is produced entirely within the walls of their estate, using centuries old, traditional methods that are very labor intensive; stone oven cooked, 100% Tahona crushed, open air wood fermentation tanks, double distilled using natural spring water and copper pot stills. Just the way tequila used to be made, and still is at Fortaleza.

### **Fortaleza Añejo** (40%) **Lowlands, Jalisco...11**

Caramel, vanilla, butterscotch, and cooked agave aromas. Butterscotch, caramel, toffee, citrus, and hazelnut flavors.

### **G4 Blanco** (40%) **Jesús-María, Jalisco...7.5**

The mountain town of Jesús-María (elev. 6,079') is tequila's highest altitude agave region, and El Pandillo is one of the most forward-thinking and sustainable distilleries in the business. There, Felipe Camarena masterfully crafts this bright, aromatic tequila from stressed hillside agave plants, slowly roasted in brick ovens and macerated intact with fiber for a pronounced agave flavor.

### **G4 Reposado** (40%) **Jesús-María, Jalisco...8**

Felipe Camarena's Reposado is aged for 6 months in used bourbon barrels and sustainably produced using a 50/50 mixture of rain and spring water. A touch of barrel to simply accent the agave flavors. Grapefruit, light vanilla, and baked agave notes are present.

### **G4 Extra Añejo** (40%) **Jesús-María, Jalisco...17**

Felipe Camarena's innovations include distilling with harvested rainwater, creating stone ovens that evenly cook the tequila, taking out the internal "male parts" of the agave to remove bitterness, recycling the cooked agave and turning it into fertilizer. Aged for at least 4 years in oak bourbon barrels. Remarkably smooth, soft oakiness, vanilla aroma, citrus notes, hints of dark berries, and pure agave flavor.

### **Siete Leguas Añejo** (40%) **Highlands, Jalisco...9**

Named after Pancho Villa's horse, Siete Leguas is a family-run distillery in the Los Altos region of Jalisco, two hours east of Guadalajara. 24 months of loving care are present in this Añejo made from 100% estate-grown agave.

### **Siembra Azul Blanco** (40%) **Highlands, Jalisco...6.5**

Serious complexity with uplifting freshness as the palate cascades with sweet florals and cooked green peppers.

### **Siembra Valles Reposado** (40%) **Lowlands, Jalisco...7.5**

Aged in Missouri Ozarks barrels, the taste has a natural sweetness reminiscent of dried fruits, cacao, and coffee. You also get tobacco and vanilla from the barrel, minerals, and roasted agave notes.

### **Siembra Valles High Proof Blanco** (46%) **Lowlands, Jalisco...7**

The Rosales family at Cascahuin has developed a slow distillation process that yields a tequila of higher alcohol content. Bottled at proof, this tequila will burst to the front of any cocktail or stand powerfully on its own.

### **Tapatio Excelencia Extra Añejo** (40%) **Highlands, Jalisco...15**

Distilled in 2000 and aged for 5 years in used Excelencia barrels. Sits for an additional 10 years in glass jugs to appropriately meld together. Agave and wood are well balanced within this Extra Añejo. Notes of peppery agave, earth, brown sugar, and a hint of cocoa all wrapped in a mellow blanket of French and American oak.

## MEZCAL

### **Cuish Ensemble** (47%) **Santiago Matatlan, Oaxaca...11**

Produced in September 2017 by José Santiago using agave Espadín and agave Cuish. The agaves are cooked in an underground oven and then crushed using a horse-drawn tahona. Fermented with well water and native wild yeast in Montezuma cypress vats.

### **Clande Chito Lechuguilla** (49.3%) **Ciudad Madera, Chihuahua...9**

Don Chito Fernández distills this lechuguilla, an agave species found only in the Chihuahuan Desert, where it typically grows on calcareous soils. On the nose, this spirit carries fragrant vegetal notes with limestone and a light, sweet agave. The palate is full of savory characteristics. Chives, pepper, and other vegetal notes with baked agave and a punchy heat.

### **Gracias a Dios Espadín con Mango** (43%) **Santiago de Matatlán, Oaxaca...8**

Mangos are added to the second distillation of this limited release batch of espadín. The mangos used in this mezcal were grown on the coast of Oaxaca, where they ripen in the late spring and early summer.

### **Gracias a Dios Destilado en Barro** (45%) **Santo Domingo Albarradas, Oaxaca...9**

Maestro Mezcalero, Abel Martínez, was once an apprentice of Oscar Hernández which can be seen through this masterfully distilled mezcal. This Mezcal Ancestral is distilled in a 50 liter clay pot still. This ancient method of distillation imparts an up front earthy and mineral quality with a dense body. On the nose, BBQ smoke, rich baked agave, and alcohol.

### **Gracias a Dios Tepextate** (45%) **Santiago de Matatlán, Oaxaca...11**

Distilled using a 25 year old wild agave which grows in Oaxaca's central valleys. Agave Tepextate is known for its depth of flavor and unique characteristics. Mineral forward with citrus notes from grapefruit and lime skin and slight touches of moist earth.

### **La Herencia de Sanchez Pechuga de Codorniz** (48.7%) **Candelaria Yegolé, Oaxaca...10**

The traditional mezcal de pechuga recipe has been reimagined in this unique formula prepared with agave espadín, pineapple, banana, and quail breast.

### **La Herencia de Sanchez Ponche de Frutas** (48.3%) **Candelaria Yegolé, Oaxaca...10**

The aromatic richness and hints of tejocote, prune, guava, and cinnamon render this deliciously citrus mezcal.

### **Mezcalosfera Espadín con Cacao** (52.34%) **Miahuatlán, Oaxaca...14**

Also from maestro mezcalero Margarito Cortés, this mezcal has a strong aroma of cacao with flavors of wood and cacao.

### **Mezcalosfera Espadín con Mango y Chile Habanero** (53.1%) **Miahuatlán, Oaxaca...14**

Maestro mezcalero Margarito Cortés comes from a family that has produced traditional mezcal for many generations. He works with the agaves that grow in his region and has a particular pleasure to experiment adding ingredients. In the nose you perceive the aromas of the mango and chile, and you get the flavors of wood and mango with an aftertaste of chile.

### **Origen Raíz Cenizo** (48%) **Nombre de Dios, Durango...9**

The terroir of Durango comes through in this high elevation born Cenizo and creates an incomparably unique mezcal. Aromas of milk chocolate and fresh cherries. Round, smooth body with notes of sugarcane and freshly baked agave.

### **Real Minero Pechuga** (51.7%) **Ocotlan, Oaxaca...14**

Triple distilled espadín (Agave Angustifolia haw) with the addition of creole/wild apples, pineapples, platano de castilla, orange, almonds, white rice, the skinless breast of a free range chicken that hasn't laid eggs, and more.

### **Rey Campero Tepextate + Cuixe + Espadín** (51.5%) **Candelaria Yegolé, Oaxaca...11**

This is one of the newest ensembles to come from Romulo Sanchez. Only 1,858 bottles of this ensemble production were produced. It is bold and spicy with vegetal notes and sweet agave.

### **Rey Campero Jabalí** (48.3%) **Candelaria Yegolé, Oaxaca...10**

Much smaller than other agave varieties and resistant to cultivation, it is very difficult to find enough mature plants in the wild (many of which can take 20 years to mature) to make a small batch of this very special mezcal. The notes here are far ranging and complex including jasmine, lemon zest, coconut oil, and smoke.

### **Rey Campero Madre Cuishe** (48.6%) **Candelaria Yegolé, Oaxaca...9**

Made from 100% Wild Madre Cuishe agave which takes 10-12 years to mature depending on where it is harvested in the Zoquitlan region of the Sierra Sur. Hints of raspberries, fresh sawdust, cedar chips, anise, and menthol.

### **Rey Campero Mexicano** (48.4%) — **Candelaria Yegolé, Oaxaca...9**

100% Wild Mexicano. Salted caramel corn, coconut, malt, sugar cookie, and sage. Lingering flavors of cinnamon, banana peel, Himalayan salt, and clove. Harvested at 10 years of age.

### **Rey Campero Tepextate** (48%) **Candelaria Yegolé, Oaxaca...11**

This mezcal is made from wild tepextate matured an impressive 15-18 years at harvest. Aromas of tropical fruit, jalapeno, fresh mountain air, and orange blossom.

### **Rey Campero Espadín** (48.1%) **Candelaria Yegolé, Oaxaca...7**

Made from 100% Espadín that is allowed to mature for 6-7 years before harvesting. Bold pineapple and tropical fruit flavors with hints of oregano, cooked agave, and vanilla.

### **Rey Campero Tobalá** (48.8%) **San Pedro Mártir, Oaxaca...10**

The high altitude and cooler climate favors tobalá from San Pedro Martir, but only during the dry seasons because these plants are especially sensitive to rain and take about 13 years to mature.

### **Siembra Metl Cupreata** (48%) **Pino Bonito, Michoacán...8**

The Cupreata is a true testament to the diverse terroir of the Michoacan region. The high-altitude climate is characterized by sandy soil and moderate rainfall. The forest floor, soft with pine needles, moss, and a red sandy clay are all influences in the flavor profile of Cupreata. Light smoke, hints of fruit and mineral.

### **Vago Elote** (51.8%) **Candelaria Yegolé, Oaxaca...7.5**

Notes of rich, smoky sweet corn, tropical fruits, vanilla, earth, and smoke.

### **Vago Cuixe** (51%) **Candelaria Yegolé, Oaxaca...9**

Cuixe is a wild growing sub variety of Agave Karwinskii that is indigenous to a small area of Oaxaca and must be brought down the mountain one piña at a time by burro.

### **Vago Ensemble en Barro** (52.1%) **Sola de Vega, Oaxaca...9**

This Mezcal is a great expression of Olla de Barro techniques. Although every batch is unique, they are generally rich, earthy and full bodied. The mineral and clay tones clearly define its style.

# SPIRITS

## APERITIFS + LIQUEURS + DIGESTIFS 1 0Z

**Ancho Reyes Chile Liqueur** (40%) **Puebla, México...5.5**  
One of our favorite liqueurs. Housing a spicy flavor without being painful. Notes of cinnamon, ancho chile, and cacao.

**Bitter Truth EXR** (30%) **France...6**  
Created in the tradition of the famous herbal liqueurs of the Alps. This smooth, dark liqueur with bitter alpine herbs evokes memories of Old Europe.

**Branca Menta** (30%) **Italy...5**  
Consists of 40 herbs and spices. Italy's greatest after-dinner drink traditionally served straight up at the end of a meal. Aids in digestion and cleanses the palate.

**Carpano Antica** (16.5%) **Italy...5**  
Root beer, orange peel, vanilla, and raisin aromas.

**Chartreuse Yellow** (40%) **France...8**  
Milder (lower proof) and sweeter version of the more legendary "green" chartreuse. An all-natural production with no artificial colors or preservatives.

**Chartreuse Green** (55%) **France...8**  
Herbal Liqueur made by Carthusian monks in France. They claim only two members of their order know all of the 130 plants. They also claim that it is the only "naturally green" liqueur in the world. The color chartreuse is named after this liqueur.

**Fernet Branca** (39%) **Italy...5**  
Its gripping bitterness comes from a mixture of 27 different botanicals. Makes a great digestif.

**Fernet Vallet** (35%) **Santiago Tulantepec, Mexico...5**  
Made from a maceration of aromatic plants, roots, and spices including cinnamon, clove, quassia wood, gentian root, and cardamom. An intensely herbal, woody digestif, Fernet-Vallet enjoys popular usage throughout Mexico in the preparation of both classic and modern cocktails.

**Lazzaroni Amaretto** (24%) **Italy...5**  
The authentic Italian Amaretto since 1851, is still produced and bottled in Saronno, Italy, according to an old and unique formula: the infusion of the famous cookies "Amaretti di Saronno" in alcohol.

**Leopold Bros. Fernet Highland Amaro** (40%) **Denver, CO...6**  
Herbal notes of traditional fernet, with a unique mint quality. Steeped bitter roots with rose petals, elderflower, chamomile, and honeysuckle aged in Chardonnay barrels.

**Lillet Blanc** (17%) **France...5**  
The aroma is gentle with hints of minerals and citrus. A palate of acidity mixed with a tart essence and hints of dry wine.

**Macchu Pisco** (40%) **Ica Valley, Peru...5**  
Peruvian brandy produced from 100% Quebranta grapes and aged for 9 months in wood containers. Hints of grapefruit and berries. Sips with a slight bite and an oily body. Fruity with oak, grass, and lime notes. Try it in our Pisco Sour.

**Pierre Ferrand Dry Curacao** (40%) **France...7**  
"...the botanicals and the Curacao orange peels themselves give deeper and more intense orange notes than Gran Marnier" - Huffington Post 2012.

**Pierre Ferrand 10 yr Cognac** (40%) **France...7**  
Distilled from grapes in small, copper alembic stills then aged in a range of seven different cellars, all kept at various conditions. Light wood flavor as well as flavors of peach and apricot.

**Kinsman Rakia** (42%) **San Antonio, TX...9**  
Aromas of dried apricot, peach yogurt, and white chocolate pecans. A tangy, dried mango and papaya, cashew fruit, and peppery spice finish.

**Siglo Cero Pox** (41.2%) **Chiapas, Mexico...7.5**  
Created with the purpose of sharing the culture of the southern Mexican state of Chiapas. Pox is a mystical spirit that is comprised of wheat, four types of corn, and sugar cane. Originally, this spirit was used as a ceremonial drink within the Mayan culture. It's part whiskey and part rum while being treated with the respect of a mezcal. When drinking this it was customary to cheers with the saying "I'm another you, you are another me".

## VODKA 1.5 0Z

**Dripping Springs Vodka** (40%) **Dripping Springs, TX...5.4**  
Made in the Texas Hill Country with sweet, Mid-Western non-GMO corn. Lush and balanced, with a smooth finish.

**St. George All Purpose Vodka** (40%) **Alameda, CA...7.5**  
Bartlett pears (yes, pears) are the secret here. Using the same flavorful and aromatic pears as in their flagship pear brandy makes perfect sense, delivering a spirit with no overt pear flavor but with substantial body and subtle floral notes—and creating a vodka that is uniquely St. George.

## ABSINTHE 1 0Z

**Leopold Bros. Absinthe Verte** (65%) **Denver, CO...9**  
Produced following the traditions of 19th Century European master distillers. Lots of anise upfront. Wormwood is present but plays a support role. Everything is blended very well. Very bright, crisp, and delightful. It's already fairly mellow but finishes with long fruity notes. Well balanced.

**St. George Absinthe Verte** (60%) **Alameda, CA...8**  
A heady, herbaceous smack to the senses. It opens with spicy black licorice and then slowly evolves into citrus and grass profiles with a dose of sarsaparilla.

## GIN 1.5 0Z

**Koval Dry Gin** (47%) **Chicago, IL...9**  
Made with a blend of woodland spices. Juniper and wildflowers envelop the nose, while the taste is dry, yet vibrant - clean and nuanced by vibrant citrus, with a floral body. Crisp enough to enjoy straight. A house favorite.

**Leopold Bros. Navy Strength Gin** (57%) **Denver, CO...9**  
Hearty, bold, and aromatic gin.

**Leopold Bros. American Small Batch Gin** (40%) **Denver, CO...8**  
Most gins are made by simultaneously distilling juniper and other botanicals within the same still. However, when boiled together, certain botanicals are overworked which dries out the gin, while other flavors are not fully realized. Leopold separately distills each botanical: juniper, coriander, pummelos, orris root, Valencia oranges, and more to bring out only the purest flavors and aromas to be blended together.

**Ransom Old Tom Gin** (44%) **Sheridan, OR...8**  
Subtle maltiness is the result of using a base wort of malted barley combined with an infusion of botanicals in high proof corn spirits.

**Ransom Dry Gin** (43%) **Sheridan, OR...7**  
Fashioned after Holland's renowned malt wine genevers, this gin combines the maltiness and hop aromas of the style with a decidedly more intense botanical infusion.

**Real Spirits Grain to Glass Gin** (46%) **Blanco, TX...10**  
Straight from Texas Hill Country, distilled using juniper, coriander, angelica root, orris root, grains of paradise, lavender, grapefruit, lemon, orange, and bottlebrush.

**St. George Botanivore** (45%) **Alameda, CA...8**  
Fresh and lightly herbaceous with bright citrus and subtle floral notes.

**St. George Terroir** (45%) **Alameda, CA...8**  
A profoundly aromatic gin with Douglas fir, California bay laurel, coastal sage, and other evocative botanicals.

## RUM + CACHAÇA 1.5 0Z

**Barbancourt 5 Star** (43%) **Haiti...7**  
This extremely well balanced rum is oak aged for 8 years. Notes of vanilla and pepper and a smooth but complex body with a finish reminiscent of orange marmalade and roasted figs.

**El Dorado White** (40%) **Guyana...5.1**  
Soft, sweet mouthfeel with traces of creaminess and butter toffee.

**Diplomatico Reserva Exclusiva** (40%) **Venezuela...9**  
Notes of maple syrup, orange peel, brown sugar, and liquorice. Sweet toffee fudge and a seductive and elegant finish.

**Novo Fogo Silver** (40%) **Brazil...7**  
Banana aroma, floral rainforest notes. Sea salt balances the cachaça's tropicality combined with sweet red pepper.

**Novo Fogo Tanager** (42%) **Paraná, Brazil...8**  
This cachaça is aged in repurposed oak barrels and finished in casks of arariba (Brazilian zebra wood) for a natural red color and a distinctive mountain earthiness. This truly unique cachaça suggests tropical fruit, grass, cinnamon bark, and other holiday spices.

**Paranubes** (45%) **Oaxaca, Mexico...7**  
Wild fermented using fresh pressed juice of Oaxacan sugarcane grown without pesticide or fertilizer in the rich soil of master distiller Jose Luis Carrera's farm. Distilled to proof with no additives, this rum, or aguardiente de caña, is exactly what you would find lost in the cloud forest of the Sierra Mazateca mountains of Oaxaca.

**Sailor Jerry** (46%) **Caribbean...5.5**  
Blended spiced rum with notes of vanilla and cinnamon.

**Uruapan Charanda** (46%) **Uruapan, Michoacán...7**  
Charanda is a D.O. protected sugarcane distillate that can only be made in 16 municipalities in Michoacán. This Charanda is the best representation of how a quality Charanda can be a complex, fragrant, and deeply flavored sugar cane distillate.

# SCOTCH WHISKY

OFFERED IN  
1 OZ POURS

## HIGHLANDS

### **Glengoyne 10** (43%) **Dumgoyne ...7**

One of the only whiskies to use unpeated barley. Green apples, toffee, a subtle nuttiness, and flavors that remind one of bourbon.

### **Glencadam 10** (46%) **Angus ...8**

Delicate, well balanced, and finishes long. Notes of fruit, gentle wood, light vanilla, and barley malt.

### **Tullibardine 228 Burgundy Finish** (43%) **Blackford ...9**

The hue of this whisky comes directly from its time spent in the 228 liter bariques that previously held pinot noir from Château de Chassagne-Montrachet. The nose features red cherries & vanilla. On the palate, there is a hint of red summer fruit, chocolate, and a sweet spice note on the finish.

## SPEYSIDE

### **Balvenie Single Barrel 15** (47.8%) ...12

Beautifully combined flavors: nutty, sweet sherry, orange skins, and cinnamon spice.

### **Balvenie Caribbean Cask 14** (43%) ...9

A unique scotch that finished its maturation in casks which had previously held Caribbean rum. The nose is full of tropical fruit. On the palate, notes of apple, mango, and vanilla appear. Well balanced and highly sippable.

### **Balvenie DoubleWood 12** (43%) ...8.5

Aged in both ex-bourbon and sherry casks, tones of vanilla and peat are balanced by a warming, spicy finish.

### **Balvenie 21 PortWood Finish** (43%) **Speyside . . . 25**

Rare Balvenie is masterfully finished in 30 year old port casks. Notes of red fruit, raisins, floral honey, and spice wash the palate. The texture is creamy and silky with a long, gentle finish. This Scotch balances many unique flavors which beautifully coalesce throughout the palate much like a liquid symphony.

### **Glenfarclas 12** (43%) ...7

Full bodied with hints of peat, dates, and toffee. Enjoy the long, spicy, citrus finish.

### **Glenfiddich 12** (40%) ...7

Floral aroma with hints of honey and orchard fruit and a sweet oak spice finish.

### **Glenfiddich 15** (40%) ...9

Originally aged in American bourbon, Portuguese Sherry, and Virgin Oak, then married in a Solera Vat, this 15 year expression offers a citrus nose, light peat, and a candied fruit & oak finish.

### **Glenfiddich IPA Experiment** (43%) ...9

Collaborating with a local Speyside brewer, Glenfiddich brought the distinctive, hop-forward flavors of an IPA by resting single-malt whiskey in whiskey casks which were seasoned by a 9% IPA.

### **Glenfiddich The Original** (40%) ...11

Recreation of the 1963 whisky that started the single malt category. Floral aroma with a hint of pear. Lively fruit notes and soft vanilla oakiness finishing with citrus and fresh baked oatcakes.

### **The Macallan 12 Double Cask** (48%) ...8.5

The delicate flavor of American oak - vanilla, citrus, and light oak - rises in prominence as rich fruit, sherry, and wood spice afford a familiar backdrop.

### **The Macallan 15** (43%) ...13

This age best expresses the estery fruitiness of Macallan. Toffeeish. Gently fruity and spicy. Hints of peat.

### **The Macallan Rare Cask** (43%) ...35

Macallan's whisky maker, Robert Dalgarno, hand selected fewer than 1% of the casks maturing on the Macallan estate in order to craft this rare whisky. With rarity at its core, this is a whisky crafted from casks so rare they will never again be used in any Macallan whisky. Soft notes of vanilla and raisin on the nose give way to apple, lemon, and orange. Balanced by a spicy quartet of root ginger, cinnamon, nutmeg, and clove. Vanilla and chocolate lead the finale along with a light citrus zest.

## CAMPBELTOWN

### **Springbank 10** (46%) **Argyll ...8.5**

Pear, peat, vanilla, and malt aromas with flavors of malt, oak, spice, nutmeg, cinnamon, and vanilla.

## ISLAY

### **Kilchoman Machir Bay** (46%) ...8

Built in 2005, Kilchoman is the first distillery to be established on Islay in over 124 years and one of only six distilleries to carry out traditional floor maltings, but the key difference at Kilchoman is that the barley is grown on their own farm. Machir Bay is a unique and complex combination of ex-bourbon barrels and Oloroso sherry butts.

## ISLAND MALTS

### **Highland Park 12** (43%) **Kirkwall, Isle of Orkney ...7**

Warm and notably floral. Heather honey, fresh oak, sap, and peat fragrance. Very aromatic and appetizing.

Lightly salty with flavors of nuts, honey, cinnamon, and ginger.

### **Highland Park 15** (43%) **Kirkwall, Isle of Orkney ...10**

Thick and sweet. Squashed apricot, over-ripe pear. Toasted almond, beech-nut. Great balance between caramelized fruit, honey, and heathery smoke.

### **Highland Park 18** (43%) **Kirkwall, Isle of Orkney ...15**

Warm and notably flowery. Heather honey, fresh oak, sap, peat and smoky fragrance. Very aromatic and appetizing. Lightly salty with nuts, honey, cinnamon, and ginger.

## SCOTCH BLENDS

### **Compass Box Oak Cross** (43%) **Scotland...8**

Both American and French oak are used in the maturation of this whisky. A blend of whiskies that are fruity, aromatically perfumy, and hearty will convey these experiences on the palate. Through the combination of American and French oak, a rich, malt whisky was born with notes of baked apple and toast.

### **Compass Box Glasgow Blend** (43%) **Scotland...7**

Full, rich and smoky on the palate, with notes of baking spices and sherry wine notes.

### **Compass Box Artist's Blend** (43%) **Scotland...7**

Soft, full and fruity on the palate, with flavors of baked apple, vanilla, spices and toasted oak. Highball worthy.

### **Compass Box Peat Monster** (46%) **Scotland...8**

Peaty and smoky with a creamy and fruity character. The idea behind this blend was to bring balance to the sweet malt forward flavors of Scotch while showcasing a more aggressive peaty flavor. Great when served neat or in a highball.

### **Monkey Shoulder** (43%)...6

Zesty orange meets mellow vanilla, honey, and spiced oak.

### **The Famous Grouse Smoky Black** (40%)...5.5

Distinctive peaty character which comes through in spice and dried fruit flavours with a long aromatic finish.

### **The Famous Grouse** (40%)...5.5

Famous, rich, sweet, well-rounded whisky. Medium full flavor, mature, Speyside fruitiness.
